

January 10, 2008

Northwoods Cobra Club
Gary Hammann
N9568 Rhine Rd
Elkhart Lake, WI 53020

Dear Gary,

Please find attached your track rental contract for 2008. Please look over the contract and if it meets your approval, sign it and return it to me for a signature.

Changes or Special Notations for 2008:

- ✓ The pit vehicle policy will again be in place. However, for this year there will be just a \$25 fee for the year. The form has been updated and is attached for you to distribute to your competitors.
- ✓ Addendum A is a new part of the contract this year. We are trying to gain a better understanding, in advance, of how the facility is used for each event to allow us to use open areas in other ways. This addendum is attached. This NEEDS to be filled out and returned as soon as possible, prior to the deposit and contract return.
- ✓ Though Road America always does its best to accommodate early check-in and parking, all clubs renting the facility need to be aware that access to the facility for parking on the day before the event is not guaranteed until 7 pm. Registration may open earlier with permission from Road America but participants will need to be informed that the move-in time is not until 7 pm. If the group running on the track that day happens to release early and we can begin to park, we will let our contact know that parking can begin. Again, under no circumstances are we promising that this will happen. Please encourage your club members to arrive as close to registration time as possible to avoid making them wait and having areas of our facility tied up with rigs.
- ✓ There will be NO ELECTRICITY available on the premises for 2008 except in the pit lane and upper paddock. Please inform your participants to make sure they bring what they need to have.
- ✓ The decibel limit for sound has changed to 103 (was 108).

Lastly, Road America does have a very nice property located on Cty J that can be used in many different ways. A sheet outlining this property is attached for your reference. The rental of this Chalet is open to all racers associated with your event; please pass on to your club members. There are 5 bedrooms and 4 full baths; one bathroom on the second floor is shared. Basic rental fee is \$2250 for three nights. That number is negotiable to some degree. Please contact me with for further details and to answer any questions you might have.

Thank you for your continued cooperation when changes arise. It is our goal to run the facility as safely and efficiently as possible so we can continue to make improvements to the track itself and other facilities on the property which will in turn allow your participants to enjoy their overall experience here more.

Best Regards,

Gail Bartelt
Rentals & Hospitality Manager
