Security

There will be 24 hour security at the track and you will be able to come and go as you like from the track but between the hours of 7PM and 6AM you must have a wristband from Northwoods Shelby Club proving that you have gone through our registration process and have signed all waiver forms. If you or anyone in your vehicle do not have a wristband, you will not be able to gain entrance to the track. Please limit after-hours entrance to campers only; afterall, that should be the only reason why someone should be entering the track at this time.

Normal track hours are 6AM - 7PM

Please call the Event Registrar if the reserved block of rooms are filled and we will call the hotel to see if we can add rooms at our negotiated rates.
